

WOODHOUSE
SHOW AND EVENT SPECIALISTS

Clearspan® Tradestands

Renowned throughout the show and event industry, Woodhouse supplies trade stands at major events nationwide. Our structures are used at Burghley Horse Trials, Royal Windsor Show, CLA Game Fair and many more equestrian, agricultural and game events.

Our current hire stock is capable of covering in excess of 2km with high quality **MUTAmarq** compliant Clearspan® structures. Our unique design of 6m, 9m, and 12m structures can be subdivided to achieve numerous layouts and formats. The integral banner rail system gives a professional finish and provides exhibitors a safe method of attaching signage. We also offer a full range of accessories to further enhance the stand, from floors and carpets to linings and flagpoles.

All of our specialist hire equipment is erected and dismantled by Woodhouse **dedicated and experienced on-site installation supervisors** who ensure that the **MUTAmarq** best practice industry standards are followed every time.

See overleaf for our Technical Specification
