

Trade Stands

Event organisers and exhibitors feel at home with our range of trade stands and exhibition halls using our Clearspan® aluminum structures. Our Clearspan® is renowned throughout the outdoor show and event industry for helping to raise the Trade stand profile and attract spectators. The Clearspan® is both attractive in view and flexible in layout and all textile coverings are MUTAmarq compliant. Please see below details of our optional accessories.

High visibility disability ramp

The integral banner rail system (600mm high) gives a professional finish and provides exhibitors a safe method of attaching signage.

Ivory pleated roof and wall linings

White, PVC, lockable doors with panic bolts.

Carpet is available in blue, green, red and anthracite (other colours available on request).

Flag Pole

Raised level flooring.

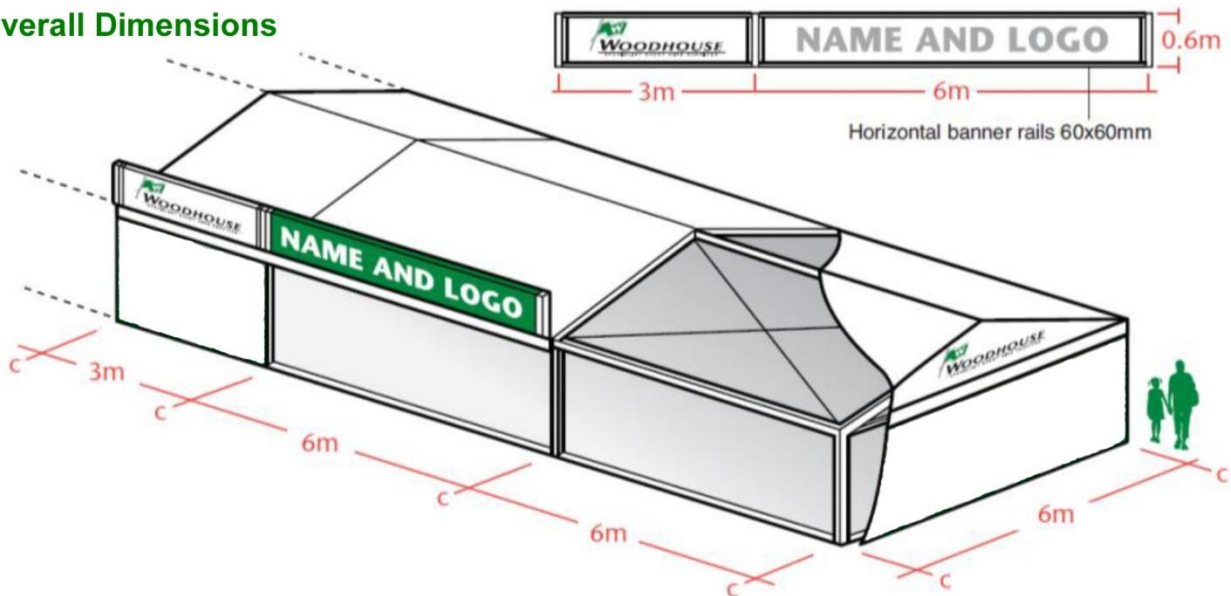

Optional window walls available.
